

The AssayPlus™ product range is designed for those laboratories requiring automation of discrete, non-titration based measurements at economical prices. The AssayPlus™ family of products automate the following analyses:

- ▶ pH
- ▶ Ion Analysis by ISE (Direct or Std Addition) or Colorimetric
- ▶ Color
- ▶ Conductivity
- ▶ Turbidity
- ▶ BOD

The pH, ISE, Conductivity and Turbidity AssayPlus™ is supplied in any combination required. For example, the following combinations are available:

- ▶ pH AssayPlus™
- ▶ Conductivity AssayPlus™
- ▶ Turbidity AssayPlus™
- ▶ Color AssayPlus™
- ▶ pH/Conductivity AssayPlus™
- ▶ pH/Turbidity AssayPlus™
- ▶ pH/Conductivity/Turbidity/ Color AssayPlus™

The BOD AssayPlus™ is a new addition to our product line. As with other AssayPlus™ products, it provides automated, BOD Analysis at an affordable price.
